WHAT'S HAPPENING @ VDC

Alliance Fellowship Student Ministries Came to Visit Us!

A youth group from Bozeman, Montana traveled 18 hours to serve our city and the Central Valley. Using the remodeled upstairs of the Hope House, the students and chaperones from Alliance Fellowship Student Ministries called Fresno home for a week. Pastor Ben McEntee brought over **15 youth to work on our community garden and serve in our monthly Neighborhood Market.** They also partnered with Youth for Christ and traveled with Youth With A Mission located in Dinuba, California.

Fresno Hopefest At Valley Dream Center

In partnership with Hope California, the Valley Dream Center opened its doors to host Fresno-oriented Hopefest. Hopefest's goal was to share the good news of the Gospel to our local youth and young adults.

200 youth and adults from different churches and neighborhoods in Fresno County attended this event with food, games, music, a Calisthenics show, and the Word.
