Sports Camp!

This summer we coached a High School Summer Sports Camp! We had about 25 students and coaches where we played basketball, pickleball and volleyball. We played in the rec room and grew closer to Jesus and each other!

Love Notes

Community Outreach

It has been an honor and blessing to watch our youth become equipped to live a healthy lifestyle with healthy relationships.

Thank you to all who donated backpacks. We distributed over 100 backpacks to kids in our community going back to school!
